

Critical List

withess: LAWN AND ORDER Like the recently seen Wild Wheels (about people expressing themselves through their weird cars) this Canadian documentary celebrates individuality by

Vision at BANDIT: planned movies

focusing on one fixation. The film — made with panache by the crew who made Talk 16 — includes footage of all sorts of lawns and allows the owners to explain their little madness. It's a gloriously offbeat and often hilarious excursion into the quirks and fetishes that lie beneath the surface of the most ordinary lives and lawns. CBLT at 10 p.m. 25939
